From: Metro Board of Directors

Board Parent Student Meeting

Date: Thursday , January 9 – 2014 at 4:30 p.m.

Location: Metro Schools (Cafeteria)

Re: Meeting the parent to discuss any concern about educating their children at Metro Schools.

The following board members attended this important meeting with the parent of the students.

Name	Present/Absent
Abdulkadir Abdalla (Board Chair & Community Member)	P
Justine Bjergo (Secretary & Teacher)	A
Abdinor Warfa (Community Member and Parent)	P
Mohamed Mohamud (Community Member)	P
Abraham Gadalla (Board Treasury)	P

The purpose of the meeting was to:

- Introduce the board members to the students and to their parents.
- To discuss in details the objectives, the plans to achieve these objectives.
- To discuss with the parent any concern they may have regarding educating their children at Metro Schools.

I personally discussed with students my philosophy of teaching mathematics and how the real life applications of what they are learning in mathematics such as calculating interest rate, mortgage payment, or car payment, education loan payment, . . . etc. I added that math is the most enjoyable thing to me in my life. Math is just for fun, pleasure, and challenge; it is needed for everyday in life.

The parent and students got a chance to vote on whom they saw as best representative to them and on who will address their concerns.

Mr. Mohamed has interacted with a group of students about writing and colleges and how to be prepared for attending colleges.

Pizza has been served and everyone was happy

The meeting was over at 6:00 p.m.
